PROGRAM DETAILS

Taekwondo Lessons Tiger-Rock TaeKwonDo blends the ancient art of TaeKwonDo with modern approaches to teaching and sport science to make our style available to everyone. Cultivate both inner and outer strength in a safe, comfortable environment.

X-Pro & Weapons Today it is practiced as a Martial Art that improves concentration, develops strength, coordination, self-discipline and cultivates awareness of an ancient culture and its traditions. Martial Arts weapons are from an ancient era in human history but are still relevant in today's world. Learning how to use a weapon is the best way to learn how to defend against it. The student will learn how to control the weapon and its strengths and weaknesses.

- Responsibility/Courage
- Physical Fitness
- Concentration/Focused Listening
- Patience/Perseverance

- Honor/Respect
